C) Reading: Free time activities

*Read the text and answer the questions in complete sentences.
Write in your exercise book.*

Luke and Dave are good friends, but they like different things. Luke loves football and Dave likes cooking and playing computer games.

So on Saturday afternoons when they want to do something together, they don't play football, they don't stay at home in the kitchen and they don't play computer games.

They usually take Sherlock to Greenwich Park. That's always great fun for Sherlock because he loves chasing the squirrels there. Greenwich Park is great for cycling too. So Dave and Luke often see Olivia there. She's always on her bike. Olivia loves cycling. It's her favourite free time activity.

1. What is Luke's hobby?
2. What are Dave's hobbies?

3. Where do Luke and Dave often go together on Saturday afternoons?
4. What can Sherlock do there?
5. Who do Luke and Dave often meet there?
6. Why does Olivia like Greenwich Park too?
